Training & Mentoring

CERTIFICATION

Certified in Advanced Software Engineering at G-TEC Computer Education.
Certified as Senior Grade Typist in English & Tamil.
Certified as COA(Computer on Office Automation.)

PROJECTS

Responsive Personal Portfolio Website
Designed and developed a fully responsive personal portfolio using HTML, CSS, and JavaScript.
Implemented smooth scrolling, interactive navigation menus, and project showcase sections.
Optimized layout for all screen sizes to enhance user experience.

To-Do List Web App
Created an interactive to-do list application using HTML, CSS, and JavaScript for task creation, editing, and deletion. Implemented local Storage for saving user tasks and used DOM manipulation for a smooth, user-friendly interface.

Meesho Clone – E-Commerce Frontend Website
Developed a frontend Meesho-style e-commerce website using HTML, CSS, and JavaScript.
Designed responsive product pages, category sections, and a clean UI similar to Meesho.
Implemented interactive features such as search bar filtering, product hover effects, and add-to-cart animations.
